

NATIONAL REAL TAX TRACKING

Property Tax Management Solutions

National Real Tax Tracking (NRTT) is a full service vendor solution serving all your property tax management needs.

Our extensive menu for both Escrow and Non-Escrow services offers clients a winning combination with our 30 years of tax lien knowledge, cutting edge technology, and partnership approach for an unmatched experience.

NRTT Beginnings

Headquartered in Chicago, NRTT was established in 2010. Our humble beginnings stem from First National Assets (FNA), one of the largest tax lien investment firms in the Midwest. Our founders saw a demand for a company that could partner in providing financial and real estate professionals a solution to mitigate property tax risks.
